

Davison Ford Mildura

extended warranty program. platinum plan: giving you peace of mind.

platinum plan.

The Platinum Plan is a comprehensive extended warranty program designed to ensure trouble-free and peace of mind motoring.

Why should I upgrade to a Platinum Warranty?

At our dealership, we hope you never need to use our extended warranty program and enjoy years of trouble-free and peace-of-mind motoring. However, even though all our vehicles have had thorough multi-point inspections prior to purchase to reduce the risk of mechanical faults, by upgrading to Platinum you will not only increase your claim limit to \$2,000 per claim but platinum also increases your cover giving you additional peace of mind.

What do I do if I have a claim?

It's easy, simply call our service department, quote your contract number and we will assist you to organise getting the vehicle into our Dealership. Our Service Department will obtain approval from the administrator and keep you informed of progress as the repairs are completed.

10 good reasons to buy.

1. Covers 12 major mechanical components of the vehicle
2. A claim limit of \$2,000 per occurrence
3. Unlimited number of claims to the total aggregate value of the vehicle
4. Covers parts and labour for all approved claims
5. No excess is payable on approved claims
6. The customer does not pay 'upfront' for any approved claims
7. Double the claim limit of the Basic Plan and a more comprehensive coverage
8. A one-stop-shop at our Service Department for all warranty repairs, assessment & approval
9. The warranty is backed by the strength of our Dealership
10. Turbochargers are included in the covered components

platinum plan covered parts.

Engine: The following Internal Parts contained within the Engine: Pistons, Piston Rings and Pins, Connecting Rods, Connecting Rod Bearings, Crankshaft, Crankshaft Main Bearings, Camshaft, Camshaft Pulleys, Balance Shafts, Timing Chain, Timing Belt Pulley, Timing Gears, Rocker Arms, Rocker Shafts, Valves, Valve Guides, Valve Springs, Valve Seals, Valve Retainers, Push Rods, EGR Valve, Oil Pump, Oil Pressure Relief Valve, Fuel Pump and Fan Clutch. Harmonic Balancer, Cylinder Head(s).

Transmission (Automatic Or Manual): All Internal Parts within the transmission Case, including Accumulators, Bearings, Gears, Solenoids, Oil Pump, Interlock Control Unit, Over Drive Clutch, Pressure switches, Valve Body, Flywheel/Flex Plate, Vacuum Modulator, Oil Pan, Torque Converter and Transmission Case, if damaged as the result of the failure of a covered Internal Part of the Transmission.

Drive Axle (Front And Rear): All Internal Parts contained within the Drive Axle including Locking Hubs, Drive Shafts, Universal Joints, Constant Velocity Joints, Swivel Hubs and Axle and Hub Bearings. Oil Pan and Drive Axle Case if damaged as the result of the failure of a covered Internal Part of the Drive Axle.

Suspension: Upper and Lower Control Arms, Control Arm Shafts and Bearings or Bushings, Upper and Lower Ball Joints, Links and Bushings, Stub Axles and Wheel Bearings, Sway Bar Bushes.

Brakes: Master Cylinder, Vacuum Assist Booster, Disc Brake Calliper, Wheel Cylinders, Compensating Valve, Hydraulic Lines and Fittings. Cooling System: Water Pump, Thermostat, Electric Fan Motor and Thermostatic Switch, Heater Valve/Tap, Radiator.

Clutch (Two Wheel Drive Vehicles): Master Cylinder, Slave Cylinder, Pressure Plate, Throwout Bearing and Fork, Spigot Bearing, Clutch Cable.

Fuel Delivery: Electronic Fuel Injection Sender unit, Fuel Delivery pump, Electric Solenoids, Fuel Injection Pump and Injectors, Vacuum Pump, Choke Assembly. Electrical: Alternator, Voltage Regulator, Unit Wiper Arms. Motors: Starter Motor, Windshield Washer Motor, Wiper Motors, Door Mirror Motors, Power Window Motors and Regulators, Power Seat Motor, Power Antenna Motor, Convertible Top Motor, Headlight Motors, Power Sunroof Motor. Switches: Headlight, Sidelight, Hazard Warning, Indicator and Interior Light Switches, Boot Release Switch, Demister Switch, Door Mirror Switches, Power Window Switch, Power Door Lock Activator, Wiper Switches. Electronic: Engine Management Computer.

Steering: All Internal Parts contained within the Steering Box, Power Steering Rack, Power Steering Pump, plus Pitman Arm, Idler Arm, Tie Rods Ends, Tilt Lever, Upper and Lower Steering Column Shafts and Couplings.

Air Conditioning: Compressor, Clutch, Bearings and Pulley, Idler Pulley and Bearing, and Control Switch. TX Valve, Air conditioning Switch, Blender Motor, Evaporator, Receiver Drier.

Seals And Gaskets: Coverage applies only when necessitated in connection with the repair or replacement of the covered components listed.

Turbo Charger (Factory installed only): All Internal Parts, Turbocharger Housing if damaged as the result of the failure of an Internal Part.

★ platinum plan.

Claim Limit: Per Claim

= \$2,000/Unlimited Claim

Engine: The following Internal Parts contained within the Engine: Pistons, Piston Rings and Pins, Connecting Rods, Connecting Rod Bearings, Crankshaft, Crankshaft Main Bearings, Camshaft, Camshaft Pulleys, Balance Shafts, Timing Chain, Timing Belt Pulley, Timing Gears, Rocker Arms, Rocker Shafts, Valves, Valve Guides, Valve Springs, Valve Seals, Valve Retainers, Push Rods, EGR Valve, Oil Pump, Oil Pressure Relief Valve, Fuel Pump and Fan Clutch. Seals And Gaskets: Coverage applies only when necessitated in connection with the repair or replacement of the covered components listed.

Turbo Charger (Factory installed only): All Internal Parts, Turbocharger Housing if damaged as the result of the failure of an Internal Part.

basic plan.

Claim Limit: Per Claim

= \$1,000/\$3,000

Engine: The following Internal Parts contained within the Engine: Pistons, Piston Rings and Pins, Connecting Rods, Connecting Rod Bearings, Crankshaft, Crankshaft Main Bearings, Camshaft, Timing Chain, Timing Gears, Rocker Arms, Valves, Valve Guides, Valve Retainers, Valve Seats, Push Rods, Oil Pump. Excludes Cylinder Head(s) and Engine Block.

Transmission (Automatic or Manual): All Internal Lubricated Parts within the Transmission Case. Transmission Case, if damaged as the result of the failure of a covered Internal Part of the Transmission.

Drive Axle (Front and Rear): All Internal Parts contained within the Drive Axle including Universal Joints, Constant Velocity Joints (unless failure was caused by a neglected torn front wheel drive boot). Oil Pan and Drive Axle Case if damaged as the result of the failure of a covered Internal Part of the Drive Axle.

Front Suspension: Upper and Lower Control Arms, Control Arm Shafts and Bearings, Upper and Lower Ball Joints, Strut Bar, Stub Axles and Wheel Bearings. (excludes Rubber Mounts and Bushings).

Brakes: Master Cylinder, Vacuum Assist Booster, Disc Brake Callipers, Wheel Cylinders.

Cooling System: Water Pump, Thermostat, Electric Fan Motor and Thermostatic Switch.

Clutch (Two Wheel Drive Vehicles): Master Cylinder, Slave Cylinder, Pressure Plate, Throwout Bearing and Fork.

Fuel Delivery: Fuel Delivery pump and Injectors.

Electrical: Alternator, Voltage Regulator, Starter Motor, Wiper Motors, Engine Management Computer.

Steering: Power Steering Pump, plus Pitman Arm, Idler Arm, Tie Rods Ends.

Air Conditioning: Compressor and Clutch.

Seals And Gaskets: Coverage applies only when necessitated in connection with the repair or replacement of the covered components listed.
